

CV Prof. Gustavo Malinger - June 2024

Prof Gustavo Malinger was born in Montevideo, Uruguay and since 1973 resides in Israel.

He is married to Dr. Patricia Saavedra and father of 3 children.

Following medical studies at the Hebrew University, Hadassah Medical School and Tel-Aviv University, School of Medicine he completed his residence in Ob-Gyn at the Edith Wolfson Medical Center in 1989. From 1994 until 2012 he served as Director of the Prenatal Diagnosis Division and co-director of the Fetal Neurology Clinic at WMC. Between 2013-2023 he was Director of OB-GYN Ultrasound Division at Lis Maternity Hospital, the OB-GYN facility of Tel Aviv Sourasky Medical Center. Prof. Malinger is Associated Clinical Professor (Emeritus) at Tel-Aviv University School of Medicine.

He was Board Member of the International Society of Ultrasound in Obstetrics and Gynecology from 2012-2020; member of the Editorial Boards of Ultrasound in Obstetrics and Gynecology, Prenatal Diagnosis and Fetal Diagnosis and Therapy; and past president of the Israeli Society of Ultrasound in Obstetrics and Gynecology. Currently he serves as the first President of the recently created Fetal Brain Society.

His main field of research is on the fetal brain and has published more than 180 articles and book chapters; including the first descriptions of the normal development of the corpus callosum and the cerebellar vermis; and the findings in fetuses with Congenital Zika Virus Syndrome.

He is the senior author of the 4<sup>th</sup> edition of Ultrasonography of the Prenatal Brain, in collaboration with Ilan Timor, Ana Monteagudo, Dario Paladini and Gianluigi Pilu published by McGraw-Hill.

Prof. Malinger is honorary member of American Institute of Ultrasound in Medicine and of the OB-GYN US Societies of Argentina, Chile, Hungary and Uruguay.
